Message from the Chairman

Take up one idea. Make that one idea your life-think of it, dream of it, live on the idea, let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other's ideas alone. This is the way to success, that is the way great spiritual giants are produced.

I personally believe that in these days of hyper-competition, knowledge is the only differentiating factor keeping you ahead of others. We, at BMI, believe that today's Leaders, Teachers and pharmacists need to indoctrinate in them the quality to acclimatize to the changing environment and to possess an action oriented approach. The pertinent blend of in-houses and visiting faculty, from the strong foundation of this institute.

Wishing You All The Best.....

“Literary education is of no value, if it
Not able to build up a sound character”

Chairman
Dr. Shakeel Ahmad

Message from the Principal

Dear Students,

Baghpat medical institute has evolved as a unique educational hub blending excellence, empathy and futuristic needs. With our state-of-the-art infrastructure, the students will be acclimatized to proficient work culture and emerge as well-rounded professionals that the industry desires to have. Quality Medical education should orient national development that should aim at training the younger generation the life saving skills, self-reliance, community service and social integration.

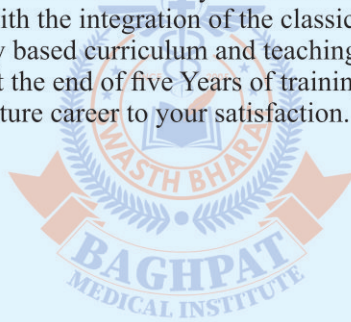

Our college heralds the new beginning of medical education and marches ahead towards excellence in the field of medical education by the indefatigable services rendered by our management & faculty. We welcome the young dynamic students who can change the lives of other people as we do here. I wish you all to do the very best in all your future endeavours.

Principal
Dr. Jishan Hayat

Message from the Admission Incharge

You've made a wonderful choice for your future education and training needs in the field of medicine. I am confident that the knowledge and experiences you will acquire over the next few years here will prepare you for the many exciting opportunities and challenges that await you in the workplace, in the society, and in your life. As a new student, you are sure to have questions about the various aspects of life of a medical student and what the future holds for you. I am sure that the personal mentorship along with the integration of the classic teaching with modern competency based curriculum and teaching modules devised scientifically, will at the end of five Years of training answer all your queries about the future career to your satisfaction.

Admission Incharge

Dr. Zafar Hayat

VISION :-

To impart vibrant, comprehensive & innovative learning
To our students by providing best quality education,
Training and could them into skilled, complet and
Socially responsible citizens so that they can lead
A power Nation.

MISSION :-

To impart class education to the student with much emphasis on, latest
knowledge, analytic skills and practical exposure, management competence,

To generate interest for knowledge & education among the masses.

To alunch job oriented professional course to provide long term developments

To provide refined ingredients of education institute , Viz faculty , Infrastructure
laboratories , library & computer center est.

To create centre of excellence for research & development relevant to the need of
the state for knowledge & its application.

VALUES :-

Academic excellence and integrity

Individual and collective excellence

Appreciation of intellectual excellence & creativity

An unfettered spirit of exploration, rationality & enterprise

FOCUS :-

The focus of the college is to provide higher education in a creative atmosphere
to deserving student's irrespective of caste , creed and culture and to participate
in national building

COURSE OF PHARMACY

| S.N. | COURSE NAME | DURATION | ELIGIBILITY |
